

ALOETTE

Lumitone HP Pro Brightening Serum

Lumitone HP Pro, with the new additions of plant-derived, non-irritating ingredients to help reduce red skin, is a proprietary blend of multiple peptides and brighteners, including the powerful white daisy extract, and brings a renewed brightness and luminescence to your skin in a matter of days. Lumitone HP Pro's aloe vera-based formula glides on gently and keeps your skin hydrated and smooth all day.

Key Features and Benefits:

- Utilizes non-irritating, plant-derived ingredients designed to enhance skin brightening
- Enhances the brightening capabilities of our existing Lumitone complex
- Substantially less irritating than other popular brightening treatments, causing less redness in sensitive skin customers

Instructions:

Apply Lumitone HP Pro twice daily, morning and evening to the face, neck and décolleté. Apply after Pure Radiance Bioactive Mist and before serums.

Retail Price: \$69.95
