## NO MONEY DOWN

(\$1400 in products & business tools)

**Limited time!**

A \$400 Show=

Minumum \$100 profit.

You always have the option of giving yourself a raise by increasing your sales and/or inviting people to join your team.

**Profit on a \$400 Show can be as much as \$164!**

**How would \$100,000 Change your life or the life of your family?**

Or maybe you want to give it a try on a smaller scale.

**What could you accomplish?**

Let's say you're the average American. You have a decent job, but you also have \$8,000 in high-rate credit card debt. You have no savings to speak of. You worry about your money on a daily basis (in fact, it keeps you up at night), and you don't believe that \$10 a day can dig you out of that hole. But it can, and in less time than you may think. If you get on this plan--and stick with it--in 3 years you'll be credit-card-debt-free.

The key is to pay more than your minimum payment. By applying \$10 a day against your \$8,000 credit card debt (at an interest rate of 16%) **you'll be debt-free in 33 months.**

*If	Debt	Minimum Payment	Interest Rate	Years
	\$8,000	\$160 per month* (\$5 per day)	16%	30
	\$8,000	\$300 per month (\$10 per day)	16%	3

minimum payment is 2% of the balance.

Or maybe you have another goal in mind. Private school tuition, a new car, fun money, investing, a vacation...what are your dreams?

Are you ready to take a step toward making them come true?
